

peat from * to 5 sts before last marker, k3, k2tog, k8.
Row 61: K8, ssk, k1, *k5, yo, (sl 2, k1, p2sso), yo, k4; repeat from * to 4 sts before last marker, k2, k2tog, k8.

Replace gusset markers

Row 62: Knit 178, place marker, k25, place marker, k178.
Lace pattern is complete at row 62.

Resume gusset decreases

Row 63: K8, ssk, *yo, k2tog; repeat from * to 2 sts before gusset marker, k2tog; *work gusset as follows:* *yo, k2tog; repeat from * to 3 sts before second gusset marker, yo, k3tog, yo; *continue row:* ssk, *k2tog, yo; repeat from * to 2 sts before last marker, k2tog, k8.

Resume decrease rows

Rows 65–82: Repeat rows 9 and 10 nine times.

Shaping rows and eyelet pattern rows

In addition to the regular row 9 decreases, work extra k2tog decreases as described below on these rows to shape the shawl.

Border and gusset decreases

Rows 83, 103, 123, 143, and 163: Along with regular decreases, decrease 1 st in each border (before first marker and after last marker) and also decrease 1 st inside each edge of gusset.

Eyelet pattern rows

Along with regular decreases, work the eyelet pattern on the following rows. *Note:* On these rows there are sometimes 2 decreases right next to each other.

Rows 85, 105, 125, 145, and 165: Knit to first marker, ssk, *yo, k2tog; repeat from * to 2 sts before gusset marker, k2tog; *work gusset:* *yo, k2tog; repeat from * to last 3 gusset sts, yo, k3tog, yo; *continue row:* ssk, *k2tog, yo; repeat from * to 2 sts before last marker, k2tog, knit to end of row.

Shape shoulders

Rows 155 and 175: Shape shoulders by decreasing 10 extra sts evenly spaced in each main section. Decrease by k2tog.

Finishing

When only 2 sts remain in each of the main sections, work the last decrease row by k3tog (the last 2 sts of each main section together with a gusset st). Put all sts except one border (3 sts) on a holder.

Work back and forth on the 3 remaining border sts across the top of the gusset as a border (see knitted-on borders on page 15), knitting 1 st of the border together with 1 st of the gusset (from the holder) on every other row. When all the gusset sts are knitted up, use tapestry needle and Kitchner stitch to graft the 3 border sts together with the 3 border sts on the holder (see page 14). Use tapestry needle to weave in ends. Block.
