## Design Collection 12: "Four on the Floor" blanket by Beverly Atseff, page 4.

Because the edges of this blanket are basket weave, each time the shuttle returns from an edge (in both the bottom and the top layers) it must be taken around an edge thread so that it does not unweave. Do this after opening the shed for the return pick.

## Design Collection 15: Sensational Scarves Winter Nights Shadow Scarf, page 20.

Warp and weft should be 20/2 silk at 7,850 yd/lb, not 30/2 silk.

The colors of 10/2 pearl cotton used for the sweater are UKI colors: Gold Dust #84, Melon #107, Spice #58, Deep Lavender #93, Dusty Coral #77, and Crab #65.
