

PieceWork Index by Author/Designer

March/April 1993 – January/February 2012

KEY TO INDEX ABBREVIATIONS

The following abbreviations are used to identify each bi-monthly issue:

JF – January/February

MA – March/April

MJ – May/June

JA – July/August

SO – September/October

ND – November/December

The title of each article is followed by the issue date (including the last two digits of the year) and the opening page number. For example, the issue information for Jeri Amundson's article titled "Pincushion in Time" is abbreviated as JA00:28, which indicates the article was published in the July/August 2000 issue and begins on page 28.

Author/Designer	Article Title, Issue, and Opening Page Number
