Chunk Knits: *5 Free Chunky Knitting Patterns You Have to Try*

KNITTING WITH CHUNKY YARN IS SO SATISFYING! You can have a project done in no time, so this type of knitting is great for gift knitting, baby knitting, or simply for those of us who love instant gratification!

I've pulled together five of my favorite chunky knitting patterns for you; I know you'll love knitting these beautiful designs!

The ***Speer Cap*** by Rose Beck is a unisex hat with an interesting cable pattern that doesn't use a cable needle! You knit two stitches together and then knit into the first stitch again, twisting the stitches on the needles. This technique makes a pretty, quick cable, especially with chunky yarn.

Cheryl Beckerich's ***Solstice Scarf*** is the perfect beginning lace project. You simply cast on 34 stitches and repeat an easy chart until you have a beautiful, cozy scarf. And it takes just under 400 yards, so it's easy on the wallet, too.

Choose a tonal or variegated yarn for Daniel Yuhas' ***Mistake Stich Möbius*** to really make this cowl a showstopper. The mistake stitch is easily memorized, and since it looks the same on both sides, this cowl is completely reversible.

The ***Far Afield Vest*** by Connie Chang Chinchio is a flattering tunic length, decorated with a delicate wheat-ear cable. Far Afield has an attractive shawl collar and a ribbed waist. You'll wear this vest all the time!

Up your home décor game with Faith Schmidt's gorgeous ***Cobblestone Throw***. Choose a color that's perfect for your home, plus a washable wool, and soon you'll have a cozy blanket to snuggle under while you knit more stuff!

Have fun whipping up these chunky knits.

Crochet Chain (Provisional) Cast-On

With waste yarn and crochet hook, make a loose chain of about four stitches more than you need to cast on. With needle, working yarn, and beginning two stitches from end of chain, pick up and knit one stitch through the back loop of each crochet chain (Figure 1) for desired number of stitches. Work the piece as desired, and when you're ready to work in the opposite direction, pull out the crochet chain to expose live stitches (Figure 2).
